

BIOGRAPHY - May 2022
NATHAN S. KAUFMAN
Managing Director
Kaufman Strategic Advisors, LLC

I N T R O D U C T I O N

Nathan Kaufman is Managing Director and founder of Kaufman Strategic Advisors, LLC, an established San Diego-based consulting company. In 2021, Nathan and his partner, Tom Blankenship, co-founded Matterhorn Strategic Advisors, LLC, an investment advisory and banking company. With over 40 years of experience as a strategist, executive and negotiator, Nate is considered one of the nation's healthcare industry experts. He is a strategic advisor to healthcare executives, boards, physician groups and other healthcare companies. He is known for his practical advice focusing on succeeding in a post-COVID, value-based risk environment. In addition, he is a seasoned negotiator and has successfully completed hundreds of transactions involving payer contracts, physician compensation, service line development, acquisition/sale of surgicenter and imaging centers; restructuring employed physician groups; and developing clinically integrated networks. This provides Nate with a unique viewpoint since he not only studies industry trends but operates in the 'trenches' which provides him with a deep understanding of the physicians' perspective. Throughout his career, he has held executive positions in a wide range of healthcare companies, including President and Chief Operating Officer of an imaging center company. He was listed in Modern Healthcare's inaugural 'Class of '87' *Up & Comers Yearbook*, and "20 years of *Rising Young Healthcare Management Talent Class of 87-06*," published Sept. 17, 2007. He currently serves on various advisory and editorial boards; was Executive in Residence and HSI Advisory Board member at Georgia Tech Health Systems Institute. His educational credentials include an M.S. in Health Systems from the Georgia Institute of Technology and a B.Sc. in Psychology from Emory University in Atlanta, Georgia.

A R E A S O F S P E C I A L I Z A T I O N

Among the clients benefiting from Mr. Kaufman's keen consulting acumen and flair for healthcare service integration are such providers and physician groups as investor-owned and not-for-profit multihospital systems; prestigious dominant medical centers; general medical/surgical hospitals; primary care physicians and specialists; IPAs; national imaging and surgicenter companies; major diagnostic equipment companies; large radiology groups; cardiology groups, medical staff groups; managed care negotiations including specialty drug issues, joint ventures, dispute resolution, and virtual medicine, and national and state healthcare associations.
